

2016 Joint Fall Conference

*A Collaboration between the East & West Chapters,
Air & Waste Management Association and
Michigan State Bar Environmental Law Section*

The conference will be held on Thursday, December 1, 2016, at Lansing Community College, West Campus. Attractive early bird pricing is available until November 8, 2016 – don't delay!!

We are excited by this year's agenda. The new MDEQ Director Ms. Heidi Grether will speak, along with the MDEQ Division Chiefs. This year, the waste sessions will focus on the practicalities, opportunities and risks associated with recycling programs at industrial and commercial facilities. Mr. Grant Trigger will provide an update of the RACER Trust 5 years into this innovative program. Additionally, Mr. Dennis Muchmore will speak on some of the unforeseen impacts resulting from the Flint water crisis. The conference will wrap up with a happy hour at EagleMonk Brewery just around the corner from LCC.

We have unique sponsorship opportunities available— please send an email to conference@emawma.org if you are interested. Additionally, a limited number of exhibition spaces are available.
