### Judges.

If, in the opinion of the judges, suitable entries are not received, no scholarships may be awarded. In all cases, the decision of the judges will be final.

### Award.

The scholarship will be awarded by March 31, 2010 for immediate use in the current or next semester. The check will be made out in the name of the student and the university, and may be used only for tuition, books, laboratory fees, or such other expenditure for academic purpose as may be appropriate. If in doubt, the Scholarship Committee Chairperson should be contacted, and that person's decision is final.

The award is for a one-year basis. An unsuccessful applicant may re-submit an application for a subsequent year. A successful applicant may also re-submit an application for another year, assuming the scholarship is continued.
