

Winner of the 2018 Chapter Cup Award

The West Michigan Chapter has been awarded the Chapter Cup for outstanding performance in 2018! The Chapter Cup Award goes to the best performing chapter determined by reviewing the annual reports submitted by all sections and chapters.

SCHOLARSHIPS

The West Michigan Chapter of the Air & Waste Management Association (WM-AWMA) is pleased to announce the availability of up to three (3) individual scholarships, each in the amount of \$3,000, to be awarded to selected college juniors, seniors, and graduate students pursuing a career in qualifying environmental studies. Each successful applicant will also receive a one-year student membership in WM-AWMA.

Please contact our Scholarship Chairperson, Brian Rice, at brice@fveng.com with any questions about the scholarship or the application process, or visit our website: <https://wmawma.org/scholarships>.

JOIN US!

2020 Membership Enrollment Taking Place Now!

As West Michigan's premier group for environmental professionals and part of the world's leading professional association in the field of environmental management, we look forward to the privilege of serving you in the upcoming year.

Membership provides you with the most up-to-date professional, scientific and technical information through specialty conferences, workshops, and seminars. Members also benefit from regulatory and industry contacts, including regular updates and interaction with the MDEQ, and numerous networking opportunities.

Get a return on your investment! Membership benefits include receiving event notices before the general public, reduced rates, saving a minimum of \$15 off every chapter event throughout the year, great networking opportunities, an active Young Professionals group, and job notices, just to name a few. The annual fee is still only \$40. Support your local A&WMA chapter while getting so much in return. Please contact Jill Kamp, jkwma@gmail.com, for additional information and a membership form, or visit us at www.wmawma.org.
