

## **EAST MICHIGAN CHAPTER A&WMA CORPORATE SPONSORSHIP PROGRAM**

### **Corporate sponsors make it all possible!**

Since 1978, the East Michigan Chapter of the Air & Waste Management Association has provided a non-adversarial forum for environmental professionals to discuss key air and waste management issues.

Our conferences and workshops cover environmental issues that matter to our members, from local Michigan concerns to national developments, and feature Michigan based experts from industry, government, consulting, and academia.

Corporate sponsors help us deliver local environmental training, fund scholarships, and support youth programs that grow the next generation of environmental professionals in Southeast Michigan.

### **Corporate Sponsorship Rate: \$995**

***Annual corporate sponsorship level for organizations of any size.***
