reason of the fact that such person is or was a Director, Officer, Member, non-member volunteer, employee, or agent of the Chapter or such person served on any formally constituted advisory body or voluntary committee of the Chapter, against expenses (including attorney's fees), judgments, fines, and amounts paid in settlement, actually and reasonably incurred by the person in conjunction with such action, suit or proceeding, to the fullest extent permitted under Michigan law, if such person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Chapter, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interest of the Chapter and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was unlawful.

Notwithstanding any limit on indemnification under Michigan law, the Chapter may purchase and maintain insurance on behalf of any person described in Section 1 above against any liability asserted against him or her or incurred by him or her in any
capacity arising out of his or her status as described in Section 1 above, whether or not the Chapter would otherwise have the power to indemnify under the circumstances.
